Yash Sharma

EDUCATION

G.B Pant Government Engineering College | GGSIPU | New Delhi
B.Tech in Computer Science & Engineering | August,2019-July,2023
GPA :- 8.34/10.00 (till 8th Sem)
Kurukshetra Senior Secondary School ,Faridabad | Haryana Board
Class – 12th | April 2018 –March 2019
Percentage :- 84%
Saraswati Senior Secondary School, Faridabad | Haryana Board
Class – 10th | April 2016 – March 2017
Percentage :- 88%

EXPERIENCE & TRAINING

Suvidha Foundation, Remote – ML(Internship)
Nov 2022 – Dec 2022 (*Internshala*)

- Worked with team of 3 member on jupyter.
- Build the ML model like SVM, KNN.
- Working with data on MS Excel.

CETPA Infotech Pvt. Ltd., Office – ML(training)
July 2022 – August 2022

- Build the various ML models.
- Design a ML model for "Iris Flower Classification"

PROJECTS

Skin Lesion Segmentation | ML, Scikit-learn, pandas

- This project identify skin lesion in early stage to prevent Skin Cancer.
- Datasets are extracted from ISIC 2019.
- In this project we are using ResUNet Architecture to train the model.
- Deep learning libraries is used like keras, Tensorflow, OpenCV for Image pre-processing.

Iris Flower Classification | Machine Learning, python

- In this project we classify the iris flower by using sepal length, petal length, etc.
- Datasets are extracted from kaggle website.
- Datasets are trained on Supervised ML Algorithm.
- SVM(Support Vector Machine) Algorithm is used in this project.

CONTACT

yashyahoo2000@gmail.com
+917701808288
Faridabad, Haryana, **IN**

SKILLS

Languages:- Python, C/C++, HTML, CSS, Java.
Frameworks:-Tendorflow, Keras, Matplotlib, Pandas.
Database:- MySQL
Technologies:- Data Analytics, Machine Learning, Google Cloud Platform.
Others:- Teamwork, Management Problem-Solving, Communication.

ACHIEVEMENTS

- **Volunteer at INCEPTUM, the Annual tech-fest of GBPEC 2019**
  - Managed Debate & Coding Events along with teams.
- Participated in **Scalar Edge Apex 2021.**
- Shortlisted in **Airmen Recruitment Rally Delhi (Group X, Technical Trades)** for 2nd Round.**(INDIAN AIR FORCE)**

CERTIFICATES

- **Python and Machine Learning Bootcamp** Hosted by **Microsoft Student Learn Ambassador.**
- **Coursera:-** C programming Certificate.
- **GTT Foundation:-** Barclays Life Skills Programme.

ADDITIONAL INFORMATION

Languages :- English, Hindi
Interests :- Web, Cloud, AI, Development, Teaching, Cricket, Music .
